

## PROPOSED TEMPORARY CLOSURE OF C9, LONG BREDY

I have received an application from Openreach to close C9, LONG BREDY between;

- its junction with A35 and Long Barrow Hill, a distance of approximately 735 metres.
- Long Barrow Hill and Dowerfield Farm, a distance of approximately 465 metres.

The closures have been requested to allow Openreach to carry out cabling work. These works are programmed to commence from 0930 and 1530 from 08 April 2026 until 17 April 2026.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, ([trafficteam@dorsetcouncil.gov.uk](mailto:trafficteam@dorsetcouncil.gov.uk)) by 16 March 2026.

View all roadworks in your area - [dorsetcouncil.gov.uk/roadworks-events](http://dorsetcouncil.gov.uk/roadworks-events) or read the council's [guide to roadworks](#) for general information and advice.
