PROPOSED TEMPORARY CLOSURE OF C121, LONG BREDY

I have received an application from Wessex Water to close C121, LONG BREDY between the entrance to Bottle Knapp and Knowle View, a distance of approximately 90 metres. The closure has been requested to allow Wessex Water to replace frame and cover. These works are programmed to commence from 0930 until 1530 on 28 September 2026.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 13 September 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
